

INFORMATION SHEET

KITE SURFING ALLOWED IN CERTAIN AREAS ONLY

In the interest of public safety and liability, Kite Surfers are **allowed only in RED area, Burnham Road, Kingston Park** (on the foreshore of The City of Holdfast Bay).

As the foreshore is used extensively by the general public for recreational swimming and beach activities, Council has designated this area in Kingston Park for Kite Surfing.

By establishing this area for Kite Surfers the City of Holdfast Bay allows the entire community to enjoy the beach by ensuring:

- Kite Surfers have an area to use safely and legally.
- People can enjoy the beach, knowing it is safe to do so.
- Public Safety on our foreshores.

As this is a local community matter, with relevant by-laws delegating responsibility to local government, Council Inspectors will be frequently monitoring the foreshore to ensure compliance and to ensure public safety is not being compromised. Thank you for you continued understanding and cooperation in this matter.
