Subject: **JETTY ROAD LIGHTING UPDATE** 

Date: 7 October 2020

Written By: Jetty Road Mainstreet Coordinator

General Manager: Community Services, Ms M Lock

#### **SUMMARY**

The report provides an update on the Jetty Road Glenelg lighting project as provided for in the 2020/21 JRMC Budget.

#### **RECOMMENDATION**

That the Jetty Road Mainstreet Committee note this report.

#### **COMMUNITY PLAN**

# STATUTORY PROVISIONS

#### **BACKGROUND**

The Jetty Road Mainstreet Committee (JRMC) installed tree lights on Jetty Road at the end of 2013 by Rawson's Electrical, and in early 2015 lighting was installed to four extra trees at the eastern end of Jetty Road which had been delayed while waiting for infrastructure support.

A lighting masterplan has been developed as part of the overall Jetty Road Masterplan, however a time frame for the implementation for this lighting has not yet been developed. Importantly, the JRMC have been working closely with Council to align the project with the masterplan and to determine maintenance schedules post installation.

The existing tree lights were in a state of disrepair and lost the function to change the light colours. In June 2020, these existing tree lights were removed by Council, which then resulted in no ambient lighting in the street, making this project a priority for the JRMC to ensure it is installed in time for Summer. Therefore, due to the placemaking nature of the ambient lighting, the JRMC included funds in the 2020/21 budget for upgrading the Jetty Road lights. This is intended as a solution until the Lighting Masterplan is activated.

#### REPORT

Quotes for tree lighting were sought from three companies, to comply with Council procurement requirements.

A system had been selected which will allow the trees along Jetty Road to be "washed" in light, from a trunk bracket and utilising existing power connections.

An example of the system was trialled on one tree in Jetty Road the week beginning 31 August 2020, and as a result of this, a decision was made to have a second trial with a system that projects the lights out at 120 degrees rather than the 90 degrees of the original system. This trail was completed 22 September, and it was established that due to the large amount of existing ambient lighting along Jetty Road that wash lights are not going to provide the street with the anticipated effect and alternate lighting will now be considered. A verbal update will be provided on the next steps.

# **BACKGROUND**

The JRMC in partnership with the City of Holdfast Bay are responsible for implementing and managing a variety of major events to support economic stimulus in the precinct in accordance with the annual marketing and business plan.

#### **REPORT**

Major events in Glenelg include:

#### **Events**

#### Bay City Rolling: 25 – 12 October

From 25 September to 12 October 2020 we will have a roller skating activation in Moseley Square. The activation has been promoted since Monday 7 September and continues to have excellent traction on all Jetty Road Glenelg posts and stories.

#### The Local: 17 & 18 October

The Local live music event will be held Saturday 17 and Sunday 28 October in the Moseley Square marquee from 1pm to 7pm each day and will feature local bands. (Note: this event is not funded by JRMC, but will be held in the marquee for Bay City Rolling).

#### Glenelg Spring Markets: 24 & 25 October

The Glenelg Sunset Markets – Spring Edition will be held in the Moseley Square marquee on Saturday 24 and Sunday 25 October from 11am to 6pm.

#### New Year's Eve: 31 December

Traditional New Year's Eve celebrations and fireworks at Glenelg and Brighton have been cancelled, however local restaurants, bars and cafes will still be open for business. Due to COVID-19 and SA Health requirements for major events, the City of Holdfast is unable to organise a celebration with live music and entertainment, as has been enjoyed by tens of thousands of people in previous years.

Communications from Council and Jetty Road will continue to push that the precinct will still be open for business and for people to make their bookings soon to avoid missing out.

#### **Glenelg Christmas Pageant**

The events team are still reviewing plans in consultation with SA Health. It is clear that a traditional pageant will not be a possible option in 2020, again due to the crowd density, social distancing and contact tracing requirements that are a factor for all large-scale events. However, Council event staff are looking at alternative options to hold a Christmas event for our community and once finalised will provide an update on details.

#### **BUDGET**

The 2020/21 budget provides sufficient funds to deliver the above mentioned events
