

18.2 Bay Sheffield Event (Report No: 335/20)

Motion – Exclusion of the Public – Section 90(3)(d)

C271020/2104

1. That pursuant to Section 90(2) of the *Local Government Act 1999* Council hereby orders that the public be excluded from attendance at this meeting with the exception of the Chief Executive Officer and Staff in attendance at the meeting in order to consider Report No: 335/20, Bay Sheffield Event in confidence.
2. That in accordance with Section 90(3) of the *Local Government Act 1999* Council is satisfied that it is necessary that the public be excluded to consider the information contained in Report No: 335/20, Bay Sheffield Event on the following grounds:

- d. pursuant to Section 90(3)(d) of the Act, the information to be received, discussed or considered in relation to this Agenda Item is commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected to prejudice the commercial position of the person who supplied the information.

In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

3. The Council is satisfied, the principle that the meeting be conducted in a place open to the public, has been outweighed by the need to keep the information or discussion confidential.

In August 2018 the South Australian Athletics League (SAAL) was verbally informed that Council would not be accepting the option to renew the current agreement, which has been in place since 2004, for the Bay Sheffield event.

The event currently receives significant support from Council including cash and in-kind support, making it the biggest investment by Council into an external run event. Acknowledging that the Bay Sheffield event has a long and successful history with Glenelg and that the event should be retained in the area, this report provides the recommendation that the level of cash support given to the event should be reduced to a more appropriate level commensurate with the size and scope of the event.
