Cities of Marion, Mitcham, Unley, Holdfast & Onkaparinga and SANFL, SACA, Netball SA & Tennis SA	Public Realm & Urban Design	2020 to 2030	Facility Planning	Funded by the Office for Recreation, Sport and Racing the 'Southern Adelaide Tennis, Netball, Australian Football and Cricket Facilities Strategy' was developed in collaboration by five councils and four state sporting bodies to provide a strategic and regional approach to facility planning. Implementation of the strategy is currently being undertaken.
City of Burnside City of Charles Sturt City of Holdfast Bay City of Prospect City of Unley Light Regional Council Port Pirie Council	Strategy and Governance	2020-2021	Representation Review	The group developed an agreed project brief and instructed Local Government Association Procurement to facilitate the tender process. An open and subsequent tender process was completed. This approach ensured that the proposed consultants would have the capacity to undertake the work required for all councils irrespective of their size and composition. The outcome of the tender was the selection of four preferred consultants, which councils were then able to choose from. This collective process saved Council resources from having to run a full procurement process.
Council Networks	Strategy and Governance	Ongoing	Governance, reporting and others	Subject-specific networks exist across the local government sector, which enable information sharing.
