15.2 **Approval of Expenditure in 2025-26 Pending Approval of the 2025-26 Annual Business Plan** (Report No: 172/25)

Due to extended consultation on the Transforming Jetty Road, Glenelg project, community engagement for the 2025–26 Draft Annual Business Plan and Budget has been put back with budget adoption now scheduled for 22 July 2025. Since council services must continue beyond 30 June, a temporary spending approval framework is needed, as councils cannot approve new expenditures without an adopted budget.

It is recommended that this framework cover employee costs, recurrent operational costs, essential capital works, and committed projects from 2024-25. This will ensure uninterrupted council operations until the budget is formally adopted.

**Motion**

**C100625/8071**

**That Council:**

1. notes that in accordance with section 123 of the Local Government Act 1999, the 2025-26 Budget and Annual Business Plan of the Council is not proposed to be adopted until 22 July 2025;

**15.4 Unnamed Laneway, Kingston Park – Changes to Road Access Arrangements (Report No: 168/25)**

The Council is undertaking capital improvement works on an unsealed unnamed public laneway between Strickland Road, Seaview Avenue and Barton Avenue in Kingston Park to address longstanding stormwater issues. Due to technical constraints identified during construction, and to formalise the current 'No Through Road', a partial closure of the laneway to vehicular traffic is proposed. To formalise this closure and ensure compliance with legislative obligations, this report seeks Council's authorisation to initiate the public consultation process as required under Section 32 of the Road Traffic Act 1961, with notice to be published in local newspaper and provided to affected ratepayers.

**Motion**

**C100625/8073**

**That Council:**

- 1. authorises the undertaking of public consultation for the closure of an unsealed unnamed public laneway between Strickland Road and Seaview Avenue in Kingston Park in accordance with Section 32(1) of the Road Traffic Act 1961;**

2. gives notice of its intention to consider the closure of the unnamed public laneway between Strickland Road and Seaview Avenue in Kingston Park, South Australia as set out in Attachment 2, to all vehicles from 1 August 2025 until further resolution of Council for the purposes of rationalising the flow and impact of traffic ('the proposed closure');
3. Authorises the Chief Executive Officer to cause notice of the proposed closure to:
  - 3.1. be published in 'The Advertiser';
  - 3.2. be given by post to each ratepayer of land immediately abutting the portion of the road the subject of the proposed closure;
  - 3.3. be published on the Council's internet website;
  - 3.4. be made available at Council's offices;
4. notes that public submissions in relation to the proposed closure will be accepted for a minimum period of 31 days from the date of Council giving of notice of the proposed closure in accordance with this resolution; and
5. instructs the Chief Executive Officer to present a report to Council following the conclusion of the public consultation period on the proposed closure outlining the outcomes of the consultation on the proposed closure and recommending how the Council should consider the proposed closure and whether or not Council should proceed or not proceed with the proposed closure, and any other considerations the Chief Executive Officer considers relevant.

#### 15.5 **Regional Assessment Panels** (Report No: 175/25)

This report alerts Council to communication received from the Minister for Planning encouraging the establishment of a Regional Assessment Panel and consolidation of the Council's planning department in response to current trends in housing supply and the planning system. Whilst it is acknowledged that efficiencies can be gained by councils amalgamating their planning assessment responsibilities into a single Regional Assessment Panel, there is a risk that the already diminished role of local communities in the planning system will be further diluted if councils decide to relinquish their decision-making independence to a regional body.

**Motion**

**C100625/8074**

**That Council authorises the Mayor to write to the Minister for Planning acknowledging his invitation for the City of Holdfast Bay to join a Regional Assessment Panel and consolidate its planning department but advising that the City of Holdfast Bay will retain its planning department and continue to make planning decisions through its Council Assessment Panel to ensure continued local representation in decision making.**

**15.6 Climate Change Policy (Report No: 169/25)**

In 2019, Council recognised that the world is in a state of climate emergency. This report is recommending that a new Climate Change Policy be adopted by Council. Having a Climate Change Policy will demonstrate leadership and good governance, will provide a consistent, comprehensive and robust approach in our responses to climate change, and will help to address the strategic risk of 'poor or ineffective management of the impacts of climate change'.

The purpose of this new policy is to ensure a consistent approach with regard to Council's actions for climate change mitigation and adaptation so that responses made by Council to climate change are long-lasting, effective, inclusive, accountable and fiscally responsible.

**Motion**

**C100625/8075**

**That Council adopts the Climate Change Policy.**

**Motion**

**15.8 Lease Register (Report No: 167/25)**

In 2013 Council resolved that Administration maintain a prescriptive register of Community Facility leases.

The level of detail required to maintain the register is onerous on staff resourcing and some aspects require information that is required to be sourced externally.

This report recommends that a reduced level of detail be held in the Community Facility Lease Register.

**Motion**

**C100625/8077**

**That Council's Community Facility Lease Register, for publication on the City's website:**

- 1. is maintained in accordance with the *Local Government Act 1999*; and**
