

PERSONAL TRAINING PERMITS

FACT SHEET

The City of Holdfast Bay's Personal Training Permit System is for personal training activities in approved parks, reserve and beaches. The permits provide the opportunity for people to exercise, while also making sure commercial fitness activities do not prevent others from enjoying Holdfast Bay's parks and reserves.

Before holding a session in Holdfast Bay, personal trainers are required to obtain a permit.

A maximum of 3 locations, 2 reserves and 1 beach location can be booked for a **maximum 2.5 hour block**. Sessions can only be held between 6.00am and 8.00pm.

Permit options range from \$40 - \$230 depending on category size and duration of the permit.

Following approval of any permit application, every time an applicant wishes to make an amendment to their approved permit, a \$20.00 administration fee will be charged.
