

## OUR CULTURE

A place that proudly delivers great things

**CHIEF EXECUTIVE  
OFFICER**  
Contract  
Full Time

The City of Holdfast Bay is seeking an accomplished local government leader who can work alongside Council's Elected Members in advancing a progressive strategic vision for the city's future.

### **Our Vision is:**

*Protecting our heritage and beautiful coast, while creating a welcoming and healthy place for all in South Australia's most sustainable city.*

We are the destination of choice for a million visitors each year with Glenelg being the premier coastal spot in metropolitan Adelaide. Council has made a commitment to deliver one of the biggest projects it has undertaken in its history – the multi-stage, \$40 million transformation of Jetty Road, Glenelg. This is an investment in the future economic growth and prosperity for the entire Holdfast Bay area.

The mid-sized metropolitan council that promotes strong pathways for community wellbeing and economic success whilst moving responsibly towards a sustainable and resilient future.

### **About the Opportunity:**

Reporting to the Mayor and Elected Members, the candidate will be a strategic thinker and a highly motivated executive who can deliver in a complex and political environment with a large focus on stakeholder engagement.

We seek a CEO with an empowering leadership style, exceptional influencing and communication skills to collaborate proactively and engage positively.

Key attributes include strong financial acumen to manage \$58m budget for Municipal operations and a further \$50m for our Aged Care facility. You will drive to deliver the Council's long-term sustainability and strong governance to provide trusted advice and support to the Mayor and Elected Members.

### **The right candidate will have skills and experience in the following:**

- Tertiary qualification or significant experience in a relevant industry
- A Master of Business Administration (highly desirable)
- Local Government experience, particularly with knowledge of governance, legislation and Acts relevant to the sector
- Simultaneously manage multi-disciplined (or diverse) business streams
- Strategic planning
- Resourcing skills
