About Us

We are proud of what we achieve for our community and we empower and value our staff by recognising achievements and delivering on our promises. We are respectful, innovative and easy to do business with and we engage our community to inspire progress and build a future. We enjoy what we do!

About the Opportunity

As part of the Rapid Response/City Cleansing Team, your main focus in this role will be city cleansing with tasks such as street sweeping, beach cleaning, graffiti removal and foreshore cleaning. You will also be required to assist in the delivery of Council's maintenance programs and cleaning tasks associated to ensure the Council area is maintained to an appropriate standard that reflects a welcoming, safe and active community.

You will be required to perform the Rapid Response and City Cleansing duties as outlined in the Position Description. In particular, this role will focus on but is not limited to:

- Street sweeper operations
- Beach cleaning in line with scheduled programs
- Foreshore cleaning in line with scheduled programs
- Installation and repair of signage, fencing and traffic bollards
- Stormwater maintenance as required
- Maintenance and minor repairs to Council infrastructure
- Graffiti removal and pressure cleaning
- Reactive tasks such as dumped rubbish collection and event set-up/pack-up
- Internal maintenance and repairs as requested

If you hold a relevant minimum Certificate III qualification (as listed below) the position will be offered on a permanent basis.

If you have the relevant experience but do not hold a qualification you will be employed as an adult apprentice and required to undertake a Certificate III in a relevant field, which will be funded by Council over a 3-year fixed term. Upon successful completion of the required qualification, you may be permanently converted to a fulltime Fieldworker within our Rapid Response/City Cleansing Team.
