

CREATIVE HOLDFAST WORKSHOP FACILITATORS – EXPRESSION OF INTEREST FORM

The City of Holdfast Bay is committed to offering a range of opportunities for our community to actively participate in arts and culture. If you're an artist, craftsperson, designer or some other kind of creative, Council would like to hear your ideas for workshops and classes.

Previous workshops we have offered have included ceramics, painting, printmaking, sewing and crochet, spoken word, music and photography but we are interested in providing our community the widest range possible of participation opportunities so we are open to any art form.

In light of the COVID-19 pandemic all workshops will be run online but as restrictions are lifted we will look at offering small group workshops. If you are interested and have the skills to facilitating a workshop, please complete and submit this online form.
