BIN SIZE OPTIONS

Council offers larger 240L landfill or 360L recycling bins for households on the sustainable kerbside waste service. If you are interested in upsizing your bin, please contact Council on **8229 9999** or visit www.holdfast.sa.gov.au

KERBSIDE BIN PLACEMENT

Where practical, keep a minimum distance of 50cm between bins, and 1 metre between bins and parked cars, street trees, stobie poles and letterboxes. Bins must be removed from the verge within 24 hours from being emptied.

BATTERIES ARE A FIRE RISK.

No batteries in any bin. Drop off batteries for free recycling at supermarkets, hardware stores etc. To find locations near you, visit www.ecobatt.com.au/drop-off-locations/

2025-2026 OLD SERVICE KERBSIDE COLLECTION CALENDAR

TRY OUR SUSTAINABLE KERBSIDE COLLECTION SERVICE

Council offers a sustainable kerbside collection service to increase food scraps recycling. This sustainable service means your green FOGO bin is picked up weekly while your red landfill bin is picked up fortnightly. There are also options for a larger red landfill or yellow recycling bin to help households adjust.

By choosing this service your household will contribute to:

- creating compost for our farmers and gardens
- creating local jobs
- minimising odours associated with food scraps
- freeing up space in your red landfill bin
- sending less waste to landfill and
- reducing greenhouse gas emissions

Please contact Council on **8229 9999** or visit www.holdfast.sa.gov.au if you have any questions about trying our sustainable waste service.
